Dear Mr. Painter,

The Cincinnati Right to Life Political Action Committee (CRTL-PAC) has endorsed you as a candidate for Clermont County Commissioner (FTC 1/3/17) for the November 8, 2016 general election.

The CRTL-PAC exists to inform the public of pro-life candidates and issues during elections. It endorses those candidates who work consistently to ensure that pro-life principles of protection and dignity for all innocent human life are upheld in the political arena. The CRTL-PAC supports the ideal societal institutions that best guarantee these principles, including traditional marriage and the family.

A CRTL-PAC endorsement is a vote of confidence that you are committed to protecting innocent human beings from fertilization to natural death through legislative and personal action. We trust that you will be a leader for Life, even when other courses of action might seem more politically expedient.

Right to Life of Greater Cincinnati is a your resource for information, research, or any other related assistance. May you succeed in this election so that together we can boldly ensure the right to life for the vulnerable at every age and every stage.

Sincerely,

Jack Hart, President  
Cincinnati Right to Life
