

LETTER TO THE EDITOR – CLERMONT SUN

The right Republican

September 29th, 2016 Author: Administrator Filed Under: [Opinion](#)

Some people are confused over the two gentlemen running to replace the retiring Bob Proud for County Commissioner on Nov. 8.

One candidate, David Painter, sought and received the endorsement of the Central Committee of the Clermont County Republican Party. The other candidate, Tom Bixler, did not seek an endorsement from the CCRP Central Committee and is running as an independent.

The facts have to be crystal clear since the waters are currently muddy as to who is the endorsed candidate.

David Painter is the “Real Endorsed Republican Candidate” for Clermont County Commissioner.
